Goals:

The Knowledge of second and foreign language didactics along with the development of science and technology has grown rapidly in the recent decades. Persian language as one of the most significant factors in our national solidarity and communication enhancement is regarded as the key element of historical and cultural pillars of Iran's civilization and plays an important role in different educational, social, cultural and national aspects.

With regard to the specialization of second and foreign language didactics as well as the importance of second language teaching and consequently specialization of teaching Persian to non-speakers on one hand, and considering the significance of Persian language for national solidarity and enhancement of communication with other nations on the other, we have established the journal of "Teaching Persian Language to Non-Persian speakers". This journal is affiliated with the Persian Language Center of Imam Khomeini International University and aims to enhance and develop the scientific boundaries of Persian Language didactics as a second language, as well as techniques of teaching Persian to speakers of other languages.

With such a mission at hand, this journal is published every season as a quarterly and focuses on the scientific achievements, new ideas and studies of scholars and researchers in this area.

Journal Policy:

The fundamental policy of this journal is based on supporting original papers and studies that are in line with the following categories deal with the scope of 'language didactics of teaching Persian language to non-Persian speakers':
